WELCOME

Allan welcomed all to the meeting especially Sue Brown who will officially join the board from 1 April 2020. Alan also thanked Clare for her time on the board and for the work undertaken.

Covid-19

The first part of the meeting was dedicated the current situation and a commitment to adhere to all government directives and to continue to share information with Clubs, and members by way of direct mail and postings on the Website and Facebook page.

The meeting then considered the following specifics:

Online lessons and coaching

Karen to research making the lessons available by way of zoom link or webinar to ensure that those people who had shown interest in learning bridge can do so during this period of shutdown and particularly if it was extended.

Communication- Reaching the Members

Recent events have reinforced the need for us to work towards a national database with email contact details for all players so that we can ensure that our communications reach everyone intended.

Government Wage Assistance Offer

NZ Bridge will apply for the wage subsidies for its employees and will encourage Clubs to do so. This item to be included in the newsletter.

Cancelation of Tournaments 10A level and above

Events at this level and above are the responsibility of NZ Bridge either directly or by way of a delegation to Regional Committees.

To give organisers and players, especially those that would need to book travel, some clarity NZ Bridge will make a decision 8 weeks prior to the scheduled date regarding cancelation.

Accordingly there are events on the calendar scheduled for May and early June that will be cancelled shortly.

Interprovincial Trials

The interprovincial trials scheduled for the weekend of May 9th & 10th are cancelled. Without knowing when normal activities can resume and with a clogged tournament calendar it will be very difficult to reschedule. It is recommended that as an alternative that Regions invite pairs to nominate, provide details of their playing history and results and that the Regions select their teams for 2020.

National Conference

The National Conference scheduled for Saturday June 7th in Wellington is cancelled. If at all possible we will look to reschedule this later in the year or we will schedule a Zoom meeting to get us all together.

Regional Committee Elections

With Clubs out of action for the next while it will be difficult to seek nominations and conduct any elections for the Regional Committees in time for the new term of office which commences 1 July.

Moved: that the Regional Committee elections scheduled for mid-year be deferred until later in the year and that the current term of office be extended until 31 October 2020.

Matters arising:

The Board is waiting for a firm decision from the World Bridge Federation regarding two major events that we have made commitments to send teams to. Firstly the World youth Teams Championships at the end of July and the World Teams Championships late August. Both events are scheduled to be held in northern Italy. The WBF have advised that they will provide contesting countries further information early next month. The window for NZ Bridge and our selected players to prepare for and arrange travel to these events narrows by the day. It is our intention that without a firm decision from the WBF by Friday 10th April 2020 we will formally withdraw our teams from the events.
