5: Intermediate Interclub:

No club spoke against this; so agreed to bring to the next meeting with the view of holding it. The hope is to encourage intermediate players and teams bridge. Suggested that Marlborough hold the first one, as it brought up the idea. Suggested that to start with there be 1 team per club; with clubs entering two teams if they wish (only 1 to count).

6: Bridge Development: Helen initiated a far ranging discussion on developing bridge and player interest in TOTS Region.

Some suggestion were:- to encourage use of the teaching resources on the NZ website by individuals as well as by teachers; to hold lessons in conjunction with tournaments, and also with the regional conference that is expected to be held later this year; and to hold coaching for the IP team, to which other intermediates could be invited to attend

The meeting ended at 7.50pm

Next meeting Saturday 16 May at approx 7.30 pm in Marlborough BC room
