

## **Minutes of the CD Regional Committee**

Meeting held on 1 November 2013 at 7.30pm in  
Palmerston North

**Present:** D. Nightingale, A. Doddridge, E. Hurley, B. Green, D. Mackay  
and on skype J. Bennett. and V. Gardiner

**Minutes** moved by Jean Bennett and Alan Doddridge that the minutes  
of the 16 August be accepted. Carried

**Matters Arising:** A further letter to the Hawkes Bay Congress  
Committee to be sent as no response received to date from the letter  
sent previously. There is a need to have further communication due to  
the response the committee received from NZ Bridge  
Napier hosting the Zelda Morris tournament on behalf of the region no  
contact yet made by them with the regional delegate.  
Wanganui to be asked for feedback and financial details re their  
hosting of the Fullarton Teams in August.

**Secretary:** The question of how to grow youth bridge in the region  
needs to be discussed and the committee would appreciate ideas and  
suggestions on this matter. The region was unable to field a team in  
the Youth Inter Provincial competition, although provision was made  
for one youth player from Wanganui to participate in this event.

All clubs in the region were asked for information about when they  
hold their bridge sessions and lessons. Only 6 clubs from 18 in the  
region replied. Clubs of a reasonable size run both daytime and  
evening bridge sessions yet most ran only evening lessons. Levin  
manages to hold more daytime lessons than evening ones and  
acknowledges that without daytime lessons in recent years their  
membership would be down by 40. An approach some  
other clubs may wish to consider.

Clubs who have already asked for assistance re Christchurch Teachers Conference to be contacted asking for costings re travel.

Certificate for regional representatives approved. Also a decision made on the trophies for the highest achieving Intermediate and Junior players in the regions Intermediate and Junior Tournaments

Correspondence In: From NZBridge:

- Teachers Training course to be held 1 /2 February 2014. The committee has decided that it will assist with travel for up to 5 teachers to go from the region on a pro rata basis. \$ 1 000 has been allocate to this endeavour. Clubs who are interested should contact the Secretary with a costing for air travel. It will be on the first 5 to apply and only one application from a club will be accepted. Clubs who miss out this year can still send their own representative if they wish. As this event was held in 2013 it would appear that it is likely to become an annual event. Those who receive financial assistance from the regional committee will be asked to supply a short report about what they learnt and found most useful over the weekend.
- The change in the Levies to NZ Bridge. The NZ Bridge levy is now \$20 plus GST. This commences on the 1 April 2014 and clubs will be billed quarterly for this instead of yearly as was done previously. The regional committee suggests that clubs show their club subscriptions this way: club membership \$xx plus the NZ Bridge levy as \$20 + GST= \$23, total membership subscription is \$xx + \$23= xxx
- There has been an increase in masterpoint cost for tournaments. These costs have doubled refer to 15 October bulletin
- Nominations for the Board of NZ Bridge and Chairperson close early in February 2014
- New VP Scales come into play as of the 1 November, refer 1 November bulletin

Request for tournament changes from New Plymouth, Feilding, Wanganui and Taradale

Hokowhitu BC coaching evaluation report
