

Session Times For Wednesday

Session 1: 9.30am

Session 2:2 pm

Introducing Anthony Hopkins, NZ Bridge Board member

Anthony has been a board member for about a year. We talked about the Board's strategy to engage with NZ players especially those less engaged now. In 6-8 weeks time this will kick off.

In meetings early next year we will learn more details.

Congress players will also be asked for their views including on this event.

Thanks Anthony and the Board for your work for us.

NZBrîdge

The Daily Bulletin is extremely grateful to Babich Wines for their on-going sponsorship. Babich is a top quality New Zealand vintner.

Babich Wines has been voted amongst the world's top 50 most admired wine brands in a survey by Drinks International.

Congress Noticeboard

Two matches in session 1, three matches in session 2

Captain's Meeting for teams qualifying for round of 16: 9 a.m. on Thursday morning in Lady Chatterleys

Thursday's Events

Three events start tomorrow for players who do not qualify for the knock out stages. Entries for the NZ Intermediate Teams, the NZ Seniors teams and the open Point a Board Teams close at 9 am tomorrow

These are NOT walk-ins – all these events require a significant amount of planning by the directors and scorers and it should not be too much to ask that players enter at the desk by the closing times above. If possible, you will find it MUCH more convenient to register for these events before leaving the hotel today.

Minibus Shuttle

The Congress is providing a FREE shuttle service from the Kingsgate to the airport on Sunday October 4th ONLY. Please indicate your details on the list which is on the whiteboard in the main hotel foyer.

If your details are not there by **2pm on Saturday 3rd October**, you must arrange and pay for your own shuttle. Shuttles on other days can be arranged through the hotel at your own expense

Dine & Dance Reservations

Can be made at the desk - \$10 for registered players, \$45 for partial registrants, \$60 for non-registered and \$30 for caddies (must be accompanied by an adult). A really top notch function with the highlight the presentation of trophies to the winners of major events. Only 300 places available, first come first served. If you make a reservation but subsequently are unable to attend then PLEASE cancel your reservation. Last year, some players were unable to attend as we were theoretically full. Then people who had booked places failed to appear and we had empty tables and empty tables mean that the payment we have made (out of your entry fees) is totally wasted. Last chance to collect your dinner tickets – 7pm Friday

Ever present Gary Hanna

Shirley and Gary Hanna. Gary operates the very successful Kiwibridge facebook page. My first memories of him feature him attired in a fetching 1970s kaftan.

Wine, women and not much sleep

What expert's statistics (as provided by himself) are 4 bottles per day, 4 wives (so far), 2-3 hours per night?

Qualified for the Plate, yeah nah.

For at least the last two years Kieran Crowe-Mai Chris Mulley have qualified for the plate and taken the day off to prepare for the NZ Teams. Both times a pair who would not have qualified otherwise gets in and wins it. Kate and John took the title in 2014, and Lorraine and Mindy yesterday.

Returning to Auckland on Friday morning?

If you need a ride contact Irene Hamilton via Registration Desk.

Dine and Dance

Go to registration to get tickets for the dine and dance:

- Fully registered \$10 per person
- Partially registered eg NZ Teams onwards \$45
- Guest or spouses (unregistered) \$60

Chennai update:

I relent and due to a direct and patriotic request I will give you the latest NZ standing when I go to bed, all have 22 teams.

Count the hand for the endplay

You are South in 4 The lead: A After two rounds of West switches to J covered Q and A East returns . You cash AQ and pause to curse your luck.

Now you need to endplay West to limit the damage.

EW are very likely to show count with AQ8762 in Dummy so that may help. Essentially you need to know whether to play 3 rounds of A before 3 rounds of clubs after ruffing the A. Your mission is to make sure you have *fewer* trumps than West and strip West of non-trump cards. The JA suggests doubleton. In any case a 5-3 club distribution seems likely so you take 3 clubs. This is the position:

You take K♠ exit a spade and West must ruff and concede. Keeping it to -1 was worth 62%, while -2 would be 27%

Thanks for the hand, declarer Joe Haffer.

The NZ teams getting underway.

The wonderful sight of caddies moving towers of boards out for each round of the NZ Teams qualifying.

Most tables were smiling as the round started. If the hands were tough there is always today to qualify.

Scissors, promotion and a Homer.

This is a complex little hand. One defender took $A \blacklozenge$ and switched to $A \clubsuit$ and a club like a man wanting to ruff. Declarer won in dummy and ran $K \blacklozenge$ covered by $A \clubsuit$ and ditched his $Q \blacklozenge$. Now there is virtually no defenders' hand shape to beat the contract. This is a scissors coup removing the possible entry to the West hand who would give the club ruff. Best defence matched with best declarer play.

Another defender was more successful. He continued small to K and a ← exit to J ←. Foolishly declarer played K ←. East took the A and returned his ←. You might think this is still ok West can't get in to give East the ← ruff. See what happened. Declarer played ♥ to East's A♥, played a fourth ← which South ruffed low and West overruffed. Now East got a ← ruff.

opener so responded as if to the Multi 2. When asked about the cuebid she said "What cuebid".

The irony is that Tracey, South, didn't see 1♦ either. At least they nodded in unison. Christine did make 3♥ so Homer wasn't nodding very long.

How do you make 4♥ from West if the lead of ◆5 covered perforce by J♦ is covered with K♦. Again is a sort of trump coup endplay. Start by ruffing a ♦ then a ♠, then another ♦. You note with interest that North could not ruff in front of dummy. Ruff another ♠ ruffed. Now cash A♥. Try Q♦ again no ruff from North so you can guess what is happening. You cash 10♦ and A♣. and exit your 10♣. You don't care who wins as you Q♥ will now score. Yes it doesn't work if the K♦ is held up.

Thanks to Justin for the hand.

How do you bid this monster? Easy for Chris Ackerley, he decided it was too weak a suit for 3 so he opened 1.

Almost half the NS pairs bid grand slam but 10 stayed in game.

Pass my fit-raise cuebid? No problems.

When the dust settled with those "little ruffs" south had scored 8 tricks for 110. At the other table the mundane 3 scored 110. Swish. *Thanks Jakob Kalma for the hand, never give up after abiding malfunction.*

What's your defence to the Multi?

Beating 4♠ is one of those Deepfinesse specials where you lead dummy's strong suit to cut declarer off. The ♥ lead and continuation generally resulted in a good result for EW.

I watched a few boards with Dean Sole and Karen Harris playing NS, and Mike Doecke and Simon Hinge EW.

Mike Doecke and Simon Hinge found this slam too hard to bid but looked to be getting close to it with matching doubles followed by matching cuebids. With trumps 2-2 6♣ is easy.

A better result than a similar auction that ended in 6.

But when $Q \bullet$ was ruffed and trump returned he was a trick short. I think playing a club to Q after a \bullet ruff would succeed.

The lead was usually A♥ Gabby Feiler scored an extra undertrick with the underlead.

You'll see all sorts of results for this from 4♥X making an overtrick if EW fail to get a club ruff to 4♠X making if NS fail to ruff a diamond.

What happened at your table?

One auction was ending at 4♥ until south sacrificed in 5♦, then EW bounced to 6♥.

There are different schools about whether to start with a double or a ♥ overcall.
