Masterpoints purpose

The purpose of the Masterpoint Scheme is to:

- (a) stimulate interest in Duplicate Bridge;
- (b) provide a means of measuring and recording the achievements of the Players of organised Duplicate Bridge;
- (c) provide NZ Bridge with a source of revenue to be used for the benefit of the game.

Outline of the Masterpoint Scheme

1. Summary of changes Sept 2017

The purpose of the changes is to facilitate automation of the scheme from the automatic uploading of results of individual sessions to the introduction of electronic invoicing of clubs for Levy and Masterpoint fees. Key changes include:-

1. The NZB website has two parts: the usual www.nzbridge.co.nz used by players to check their Masterpoints, access learning materials and information about clubs and tournaments. This has some upgrades for searching of Masterpoint awards and the ability to view all results by session across the country. The second part is reserved for club administrators where player details are maintained, as well as club and tournament information. The second part is a major step forward to assist in streamlining operations.
2. Session results are to be uploaded automatically more or less at the end of each session
3. The 10% “discount” on prompt provision of results for tournaments has been discontinued BUT this will be reviewed almost immediately once live.
4. Temporary NZB players will be awarded Masterpoints but such awards will be reviewed periodically by NZB (thus the old approach where awards would only be made to members of affiliated clubs is discontinued).
5. Revised A, B and C point tables are described in this document and are more equitable across events while retaining the spirit of the older tables, calculated by a consistent mathematical formula. On the old tables, the allocation of Masterpoints varied between the top 20% to 30% of the field, depending on the size of the event. The new tables will allocate Masterpoints more consistently (as close as possible to the top 25% of the field), regardless of the size of the event.
6. Contestants who tie receive the average masterpoints for the shared places.
7. Each event has a minimum number of Contestants initially set to complete 2 tables.
8. When there are uneven numbers of pairs playing in a section, Masterpoints will be calculated roughly half way between the lower and higher full number of tables. For example with four tables North South and five tables East West, the awards will be in between those for four full and five full tables.
9. Masterpoint invoices are emailed monthly on or around the 1st of each month covering activity in the previous calendar month.
10. Invoices are electronic and can be drilled down to see details. They are also available on the website in the Club’s Admin section.
11. The old practice of posting invoices is discontinued
12. A player’s standing (Grade, Rank, Computer number, Home club etc.) should now be kept up to date on the NZB website and the website www.nzbridge.co.nz is the definitive reference place for such information (unless there are exceptional circumstances). Material changes to a player’s standing are also recorded on the website.
13. Many events are run around the country by entities such as a regional level (and other miscellaneous circumstances). NZB will set up “dummy clubs” so that these entities can continue to run these events and be invoiced for such events if this is required. For example the Hawke’s Bay Congress and Thames Festival.

2. Administration

The Board of NZ Bridge controls and administers the Masterpoint Scheme and may vary or add to the rules governing the award of Masterpoints.

3. Masterpoint Awards

There are three categories of Masterpoint awards.

"A" Points	Awarded to Players who finish in the top placings of approved "A" Point Tournaments, and to all session winners or Teams match winners of approved "A" Point Tournaments.
"B" Points	Awarded to Players who finish in the top placings of approved "B" Point Tournaments and to all session winners of approved "B" Point Pairs Tournaments.
"C" Points	Awarded to Players who are successful in any one session of play organised by an affiliated Club, a Region or NZ Bridge.

"B" Points are not convertible to "A" Points. "C" Points are converted to "B" Points in the ratio of 100 "C" Points to 1 "B" Point.

4. Masterpoint Gradings

Masterpoint gradings are established as at 1 January (or as near to this date as possible) in each and every year.

Open	Local Master 0*–4* and 100+ Rating Points or Local Master 5* and above or Provincial Master or higher rank.
Intermediate	Club Master or lower rank and 30 or fewer Rating Points but 5 or more "A" Points or Club Master or lower rank with more than 30 Rating Points or Local Master 0*–4* and 0–100 Rating Points.

New Zealand Bridge Manual

Junior Club Master or lower rank and 30 or fewer Rating Points and fewer than 5 A Points.

See also Overseas Masterpoints.

5. Masterpoint Rankings

There are eleven ranks that are accorded to holders of Masterpoints.

Rank	Sum of "A" and "B" Points	Minimum number of "A" Points
Novice	-	-
Certificate of Proficiency	5	-
Club Master	20	-
Local Master	50	-
Provincial Master	100	50
Master	200	100
National Master	350	175
Life Master	500	250
Grand Master	1,000	500
Silver Grand Master	2,500	1,250
Gold Grand Master	4,000	2,500

- A Player with fewer than 5 "A" and "B" Points is classified as "Novice"
- On reaching an aggregate of 100+ Masterpoints, a Local Master who has not earned 50 A Points is accorded the status of Local Master 1 Star
- At 150 Masterpoints, the Player becomes Local Master 2 Star,
 - and receives an additional Star for each additional 50 Masterpoints if sufficient "A" Points have not been attained.

Similarly, Stars are awarded to Masters of other ranks who have not attained sufficient "A" points for promotion to a higher rank.

Example – A 1-star National Master will have acquired 700 plus total Points but not yet attained 250 A Points to move to the rank of Life Master.

6. Rating Points

Rating Points are calculated as previous Rating Points x 0.8 plus the total of "A" and "B" Points earned in the immediate past year.

Example

Previous Rating Points	80
Previous Rating Points x 0.8 =	64
Total of "A" and "B" Points earned in past year e.g. 3 A + 17 B =	20
New Rating Points (64 + 20) =	84

The calculation is carried out around 31 December each year and the new Rating Points come into effect as at 1 January, or as soon as possible in that year.

Note: Results not processed by the cut-off date will not be included in the Rating Point calculation.

7. Masterpoint Fees

The Board of NZ Bridge sets the fees it charges Regions and Clubs to issue Masterpoints and may amend these fees from time to time on giving 3 months' Notice in Writing.

The fee structure (+ GST where applicable) is as follows.

- (a) A specified amount per participating Player per Club Session.
- (b) A specified amount per participating Player per Tournament Session.
- (c) A specified amount per "A" Point awarded.

The current fee structure is on the NZB Website under the Masterpoint tab.

The address is <http://www.nzbridge.co.nz/master-points.html>

- Session results should be automatically uploaded from scoring systems close to the end of play.
- For Teams or Swiss Pairs events: 2 x 12 board matches or 3 x 8 board matches equates to 1 session
- The 10% discount is no longer offered for prompt uploads but will be reviewed promptly after live date.

8. Overseas Masterpoints and/or Players

- (a) New Zealand has no formal arrangement with any other country for the transfer of Masterpoints, with the exception of:
 - (i) Green, Red and Gold Points earned by NZ-registered Players at all Australian Bridge Federation approved events are transferred at the rate of:

1 Gold Point = 1 A Point
 - (ii) Red Points earned by NZ-registered Players on Klinger holidays and cruises are transferred at the rate of:

1 Red Point = 1 B Point
 - (iii) "A" Points earned by Australian-registered Players at the National Congress are transferred at a rate determined by the Australian Bridge Federation.
- (b) All overseas-registered Players are welcome to play in New Zealand Tournaments and Club sessions, but, other than for the specific exceptions listed above, receive no Masterpoints (**Rule 9**).
- (c) Overseas Players, now resident in New Zealand, when joining the New Zealand Masterpoint Scheme, may apply to NZ Bridge for recognition of their overseas ranking. Where such recognition is made, the points allocated will be the minimum required to achieve the equivalent New Zealand Masterpoint rank.
- (d) All overseas Players, whether visitors or new residents, are graded as Open for Tournament play unless clear evidence to the contrary is provided to the NZ Bridge Secretary. Any review of grade is at the sole discretion of the NZ Bridge Board.
- (e) Gold Points earned by NZ-registered Players at all Australian Bridge Federation Gold Point events, and transferred in the year in which they are earned in Australia to New Zealand "A" Points under (a) above, are not eligible to be counted for the Baden Wilson Trophy Awards.

9. Minimum number of boards

Each event has a minimum number of boards (or deals) to be played for the award of Masterpoints. This may only be reduced with the prior approval of the Chief Director.

10. Minimum number of Contestants

Each event has a minimum number of Contestants required for Masterpoint awards, initially set at two complete tables but subject to change.

Issue of Masterpoints

1. Masterpoint Authorisation

The following bodies are authorised to issue Masterpoints:

- (a) Clubs
- (b) Regions affiliated to NZ Bridge
- (d) NZ Bridge
- (d) NZ Bridge may transfer Masterpoints issued by the Australian Bridge Federation as outlined in the relevant provisions.

2. All members of a Club are thereby automatically entitled to play for Masterpoints in any session of play conducted by an authorised body (unless excluded by grading restriction in accordance with 6 and 7 below).

3. Subject only to Clause 7 (c) (iii), every Club must provide for each member of the Club an opportunity to play for Masterpoints in every session played (excluding those held for teaching purposes).

4. No Player may be issued with Masterpoints unless he/she is a member of a Club, although temporary players may accrue Masterpoints which will be cancelled if they are not active within six months. This is monitored by a player being registered as "Temporary" by a club officer or NZB staff within the NZB Administration system.

5. Participation in a Tournament by a Player who is not an eligible Player will preclude their partner/Team mates from receiving Masterpoints. This may be overruled at the discretion of the NZ Bridge Board, for example in the case of emergency substitution.

6. Players must not play in, or receive Masterpoints from, a grade of Tournament lower than that Player's most recent official grade status.

7. A Club has the right to operate a similar rule to 6 above for play in graded sessions within the Club. **Note:** There is a considerable variation in the practice in different Clubs in their interpretation of the rules that govern the issue of Masterpoints on **graded nights**.

- (a) Players may of course always receive awards in a higher grade of Club play.
- (b) All players (including visitors and temporary players), should be assigned a NZB Computer number via the club administration system. Temporary awards will be reviewed periodically by NZB.
- (c) Where a Club chooses to operate grade restrictions on its normal nights of play, it can operate one of three systems:
 - (i) award Masterpoints to all Players on gross scores before any adjustment has been made to the scores for handicap or penalty, **or**
 - (ii) award Masterpoints to all Players on handicap scores, provided the Club has an established handicap system in place, **or**
 - (iii) apply a system similar to that outlined for the ineligible Player in a Tournament.

Of alternatives (i) and (ii) above, the first is preferred as better reflecting the intent and objectives of the Masterpoint Scheme.

8. When all conditions for the issue of Masterpoints have been met, Masterpoints must be issued to all Players who are eligible to receive them.

New Zealand Bridge Manual

9. The presence in the top placings of a Player ineligible to receive Masterpoints does not affect the awards to the other eligible Players. The eligible Players must be awarded the same number of Masterpoints they would have received if all the place getters had been eligible.
10. Session results must be forwarded more or less at the close of play by automatic upload from the scoring system to the NZB Website.

Club Sessions

Masterpoints are awarded for Individual or Pairs or Teams play of Duplicate Contract Bridge only (Contract Bridge, where the results are determined from the scores of identical deals). Rubber Bridge results do not qualify for Masterpoints.

1. Scoring

1.1 The scoring of each deal may be by:

- (a) Gross score, as defined in **Law 77 of The Laws of Duplicate Bridge 2017**, for total point or cumulative events.
- (b) Net score, being the difference between each score and a reference score (or datum) such as the average, the median, the highest, the lowest, zero, an estimate par score or some other mathematically determined score.
- (c) Match Point score, where each score is compared with the other scores for the same board and two scoring units (match points or half match points) are awarded for each inferior score, one scoring unit is awarded for each equal score and zero scoring units are awarded for each superior score.
- (d) International Match Point score, where on each board the total point difference between the two scores compared is converted to IMPs according to the scale as defined in **Law 78 of The Laws of Duplicate Bridge 2017**.

1.2 When scoring is by a method other than Match Point scoring, the result of a deal is valid only if all Contestants in the same section have played that deal. When scoring is by match points, it is not necessary for all Contestants to play each deal in the section.

1.3 In a Pairs event, depending on the movement used, a section will consist of:

- (a) two groups (the N/S Pairs and the E/W Pairs in a Mitchell movement) scored separately to produce two lists of results, or
- (b) one group (all Pairs in a Howell or a Scrambled Mitchell movement) scored together to produce one list of results.

New Zealand Bridge Manual

2. Basic "C" Point Tables

"C" Points are awarded to successful Contestants for each session in accordance with one or other of two Basic Tables of "C" Point awards:

A. Basic Table of "C" Point Awards (Duplicate Pairs).

"C" Points are awarded to Contestants who finish in about the top third of the placings (highest to lowest) for each section of all sessions of an event. The winners of each section receive **40 C** Points. The other place getters in about the top third receive reduced numbers of "C" Points in descending arithmetic progression according to their placings, the lowest award being not less than 1 **C** Point. Any fractions are rounded to the nearest whole number. "C" Points are awarded on this basis as set out later.

1. Minimum number of tables

"C" Points awarded in accordance with the table are conditional on there being at least two complete tables in the section concerned.

2. Minimum number of deals/boards

To qualify for the maximum award of 40 C Points, **at least 20 deals** must be in circulation per session. If between 11 and 19 deals inclusive are played, "C" Points are awarded at half the Basic Table, with any fraction being rounded upwards.

3. Ties

Contestants who tie receive the average points for the shared places.

B. Basic Match Play Table of "C" Point Awards (IMPs, VPs, Point a Board).

In Club events where one Individual, or one Pair or one Team is matched against another for the whole or part of a session, and each such match is scored as a separate entity, "C" Points are awarded to the winners of each such match. A Player receives **2 C** Points for each deal in which he/she has participated in a match won by his/her Team on the basis on which the event is played.

For longer matches, an expanded version of this table is provided later.

1. Ties

A Player receives **1 C** Point for each deal in which he/she has participated in a match tied by his/her Team.

"A" Point Tournaments

1. Conditions

Tournaments are approved for the award of "A" Points on condition that:

- (a) entry forms are circulated to all Clubs in the Region of the Club organising the Tournament;
- (b) entry is either
 - (i) open to all grades of Players, **or**
 - (ii) by invitation as specifically approved by the NZ Bridge Board.
- (c) The prescribed minimum number of deals for the following Tournaments is
 - 3A = 44 deals Pairs; 48 deals Teams
 - 5A = 60 deals
 - 10A = 72 deals
 - 15A = 88 deals
 - 20A = 110 deals
 - 25A = 158 deals Pairs; 332 deals Teams

For the prescribed minimum number of deals in circulation – see 3 below

2. Overall "A" Point Awards

The winners of an "A" Point Tournament each receive the maximum award allocated. The other place getters receive progressively reduced numbers of "A" Points according to their placings as set out in the Tables.

2.1 Ties

Contestants who tie receive the average awards for the placings in contention.

Tournament Organisers should publish, in advance of the contest, rules for the breaking of ties and the allocation of all Masterpoints for both session placings and overall placings.

2.2 Substitutes (Pairs)

When a substitute has played in a **Pairs** event, any "A" Points earned are apportioned to the Players according to the number of deals each has played, with fractions being rounded to the nearest whole number.

2.3 Team awards

(a) Final placings

When a Team of five or six Players qualifies for "A" Points, each Team member receives "A" Points according to the Team's placing as set out in the Tables. To qualify for the award of "A" Points, a Player must have participated in the play of at least one-quarter of the deals played by his/her Team.

(b) Fractional "A" Points

- (i) If the event requires "line up sheets" to be completed (such as the Interprovincial Finals), only those Players participating in a match shall receive fractional "A" Points if that match is won or tied.

New Zealand Bridge Manual

- (ii) If no records are kept of participants in each match, then:
- all Players of a five-member Team shall receive four-fifths of the full award as determined above for each match won or tied;
 - all Players of a six-member Team shall receive four-sixths of the full award as determined above for each match won or tied.

3. Session Awards – Pairs Tournaments

3.1 "A" Points

In addition to the "A" Points awarded to the top place getters overall, there is also a session award of **1 A** Point to the winners of each session of approved "A" Point Pairs Tournaments. If more than one Pair is first equal in a session, **1 A** Point shall be awarded to all first-equal Pairs. The award is given to the winners of each group in each section (in a Mitchell movement, the N/S winners and E/W winners of each section receive an award of **1 A** Point).

This session award of **1 A** Point is applicable only to Pairs events approved for the issue of "A" Points, is additional to the normal session award of "C" Points and is conditional on at least **20 deals** being in circulation in the session for which the award is made.

3.2 "C" Points

"C" Points are awarded to successful Players in each session of an "A" Point Tournament according to the Basic Table of "C" Point Awards multiplied by a factor of 1-6 as outlined below.

Factoring of the Basic Table of "C" Point Awards – Pairs

Status of Event	Factoring of Basic Table
Session of 3A Event	The Basic Table x 2
Session of 5A Event	The Basic Table x 2
Session of 10A Event	The Basic Table x 3
Session of 15A Event	The Basic Table x 4
Session of 20A Event	The Basic Table x 5
Session of 25A Event	The Basic Table x 6

The Basic Table is used for all Duplicate Pairs Tournaments and is factored according to the status of the Tournament.

3.3 Event played in sections

When a field is divided into sections for the convenience of organisation of the event, each section is considered to be a separate competition for the award of Masterpoints.

4. Session Awards – Match Play Tournaments (Teams)

In addition to the "A" Points awarded to the top place getters overall, "A" Points or fractions of "A" Points are awarded to the winners of each match in approved "A" Point Match Play Tournaments according to the Basic Match Play Table of "A" Point Awards. The Basic Match Play Table Awards are multiplied by a factor of 1-5 as outlined below.

New Zealand Bridge Manual

4.1 Basic Match Play Table of Session "A" Point Awards

In approved 3A, 5A, 10A, 15A, 20A and 25A Point events where one Individual or one Pair or one Team is matched against another for the whole or part of a session, and each such match is scored as a separate entity, "A" Points are awarded to the winners of each such match. A Player receives **0.02 A** Points for each deal in which he/she has participated in a match won by his/her Team.

Match of 3A Event	The Basic Table x 1
Match of 5A Event	The Basic Table x 1
Match of 10A Event	The Basic Table x 2
Match of 15A Event	The Basic Table x 3
Match of 20A Event	The Basic Table x 4
Match of 25A Event	The Basic Table x 5

4.2 Ties

A Player receives **0.01 A** Points for each deal in which he/she has participated in a match in an approved "A" Point Tournament tied by his/her Team (half the award for a win)

4.3 "A" Points or "C" Points only for match win

4.4 If "A" Points are awarded for a match win, **no** "C" Points are awarded.

5. Scoring Errors

Awards are subject to correction of any scoring error discovered during the correction period and to changes as a result of a decision of the on-site Appeals Committee.

"B" Point Tournaments

1. Conditions

The award of "B" Points is conditional on:

- (a) entry forms being circulated to all Clubs in the Region of the Club organising the Tournament;
- (b) the prescribed minimum number of deals being in circulation.

Tournaments of any grade may be approved for the award of "B" Points, but the number of "B" Points awarded depends on the grading.

- 8B** Open Pairs Tournaments **44** deals or more; Teams, **48** deals or more.
- 5B** Intermediate Pairs Tournaments **44** deals or more; Teams, **48** deals or more.
- 3B** Junior Pairs Tournaments **44** deals or more; Teams, **48** deals or more.

2. Overall "B" Point Awards

The winners of a Tournament approved for the award of "B" Points each receive the maximum award allocated. The other place getters receive progressively reduced numbers of "B" Points according to their placings as set out in the Tables.

2.1 Ties

Contestants who tie receive average awards for the placings in contention.

Tournament Organisers should publish, for the information of all Contestants in advance of the contest, rules for the breaking of ties and the allocation of all Masterpoints, both session placings and overall placings.

2.2 Substitutes

When a substitute has played in a Pairs event, any "B" Points earned are apportioned to the Players according to the number of deals each has played, with fractions being rounded to the nearest whole number.

2.3 Team awards

When a Team of five or six Players qualifies for the award of "B" Points, each Team member receives "B" Points according to the Team's placing as set out in the Tables. To qualify for the award of "B" Points, a Player must have participated in the play of at least one-quarter of the deals played by his/her Team.

3. Session Awards – Pairs Tournaments

3.1 "B" Points

In addition to the "B" Points awarded to the top place getters overall in approved "B" Point Tournaments, there is also a session award of **1 B** Point to the winners of each session of an approved "B" Point Pairs Tournament. If more than one Pair is first equal in a session, **1 B** Point shall be awarded to all first-equal Pairs. This award is given to the winners of each group in a section. (In a Mitchell movement, the N/S winners and the E/W winners of each section receive an award of **1 B** Point.)

This session award of **1 B** Point is applicable only to Pairs events approved for the issue of "B" Points, is additional to the normal session award of "C" Points and is conditional upon at least 20 deals being in circulation during the session for which the award is made.

3.2 "C" Points

For all Tournaments approved for the award of "B" Points, session awards of "C" Points are made according to the Basic "C" Point Tables.

The Basic Table is used for all Duplicate Pairs Tournaments and is factored according to the status of the Tournament.

Factoring of the Basic "C" Point Table

Status of Event	Factoring of Basic Table
Session of 3B Event	Basic Table
Session of 5B Event	Basic Table
Session of 8B Event	Basic Table x 2

4. Session Awards – Match Play Tournaments (Teams)

In approved 3B, 5B or 8B Point Tournaments where one Individual or one Pair or one Team is matched against another for the whole or part of a session, and each such match is scored as a separate entity, "C" Points are awarded to the winners of each such match. A Player receives 2 C Points for each deal in which he/she has participated in a match won by his/her Team on the basis on which the event is played.

See the Basic Match Play Table.

4.1 Ties

A Player receives **1C** Point for each deal in which he/she has participated in a match in an approved 3B, 5B or 8B Point Tournament tied by his/her Team.

5. Scoring Errors

Awards are subject to correction of any scoring error discovered during the correction period and to changes as a result of a decision of the on-site Appeals Committee.

Masterpoint Secretary Administration

1. Basic Duties

The Club Masterpoint Secretary must:

1. Ensure that the Club is currently affiliated to NZ Bridge
2. Ensure that the Club has an updated list of members with computer numbers obtained from the NZB Administrative website
3. Allocate computer numbers to new and temporary members via the NZB Administrative website
4. Ensure that all Club session results are sent at the end of each session by automatic upload of session results from the scoring system
5. Old options (by Computer Disc, by Email, by Masterpoint Session Results sheets) are no longer available
6. Emergency options available in the absence of automatic uploads from the scoring system are Manual entry in the NZB Administration system and Manual file upload into the NZB Administration system

2. NZ Bridge Masterpoint Maintenance

2.1 Players

The NZB Administration website system allows clubs to manage, on line, player information.

From the “Players” menu club secretaries, officers and directors may add new players online and those players are automatically allocated the first available NZB Computer number which is a four or five digit number.

Within the Players screen, members may be moved from one club to another, both clubs are automatically emailed a notice, and the player concerned (if they have registered themselves on the public NZB website via My NZB tab on the www.nzbridge.co.nz) will also be sent an email notifying them of their move.

Players may be assigned a Status of Active, Dormant, Temporary, Resigned, Deceased or Unknown. Active and Unknown will be charged Levy fees periodically.

2.2 Club session and tournament results

The NZB Administration website as at August 2017 supports automatic end-of-play uploads of playing results for both sessions and final ladders for the following three scoring system suppliers, for (almost) all types of events:

Compass (2017.8.17 or later)
Bridge NZ Scorer (17 or later)
Compscore 2 (7 Sep 2017 or later)

Clubs using older versions of the scoring systems above should contact their suppliers to make arrangements to implement automatic end-of-session results uploads.

Clubs using other methods may either manually enter results from the Results screen in the NZB Administration system, or manually load files. Full specification of the file formats is available from NZB.

New Zealand Bridge Manual

2.3 Masterpoint adjustments

Club Secretaries/Officers, or Regional Officers, may apply by email to the NZB Secretary for adjustments, giving details of the Player(s), Computer Number(s), event, the requested changes and a justification for the change. Adjustments may be positive or negative.

3. Annual, Quarterly and Monthly Processing

The NZB Administration system generates automatic invoices for Masterpoints on a monthly basis, sent by email: a postal option is not available.

Clubs may view and drill down online into the details of their Masterpoints invoice.

Clubs requesting clarifications or amendments on Masterpoints invoices should contact the NZB Secretary by email, forwarding a copy of the electronic invoice with the correspondence.

The invoices cover the previous calendar month and run at approximately 1:00 a.m. on the first calendar day of each month, and sent by email.

Masterpoint certificates will be generated periodically with a target of once a month

4. Tournament Masterpoint Secretary

The Tournament Masterpoint Secretary should:

1. Check the entitlement to Masterpoints from the authorisation received from NZ Bridge through Regions. This is available from the National Tournament Schedule.
2. The Tournament Masterpoint Secretary should ensure that results of each session and final ladder are uploaded correctly and in a timely manner
3. If the event is not utilising an enabled scoring system the Tournament Masterpoint Secretary may either manually enter the results online from the Manual tab on the NZB Administration system Results section, or upload a correctly formatted file into the same system.
4. All session and final ladders should be loaded in a timely manner on the day of play.
5. Any adjustments not automatically managed by the scoring system may be requested through NZB
6. The Tournament Masterpoint Input Sheet Is discontinued-

Please note: If there is a phantom in a normal Mitchell movement, the C points awarded are an approximate average of the two pair numbers as per above table. eg if there are 19 pairs one direction and 20 pairs the other, 6th place in both directions are awarded 11 C points. In calculating this average, if there is a fractional C point it is rolled up or down to the nearest whole number.
