**Venue:** **ONLINE**

**Time:** 7pm start Friday and 10am Saturday

**Entries to:** <http://www.nzbridge.co.nz/events.html>

**PLEASE READ the Format for 2022**

1. Format depending on number of entries in each group (open/women/senior/intermediate). The format will be finalized once numbers are known.
2. Players must choose the group they wish to trial for before the closing date for entries. If players enter in more than one group, the region may choose which group they will be entered in (if any).
3. Players enter as a pair who have played as a regular partnership. This can be evidence of regular club play or at least two tournaments together in the year leading up to the trials.
4. Those who earn a place in the IP team must also commit to play at least two tournaments together between the trials and the IPs.
5. Players must be a member of a club in our region. A player who also belongs to a club in another region must play regularly in the Waikato Bays Club (as per residency requirement in NZB manual).
6. The top three pairs in each group will qualify per team. As we cannot award our usual chocolate prize 😊 these pairs will receive \$20 (per pair) credit towards their next tournament.
7. If insufficient entries are received in any group, the team will be selected.

### 2022 Inter-Provincial Finals

NZ Bridge has announced that the finals will be held **ONLINE** on 18-20 November.
