

2023 NZ BRIDGE CONGRESS

Parking and Venue Access

Trustbank Baypark Arena has been renamed. It is now **Mercury BAYPARK Arena**

At the request of the Mercury BAYPARK both the parking location and entrance to the stadium for Congress have been changed. These are both now located on the western side of the building instead of the east side as was used last year. This change is easily accomplished by NOT turning off into Pit Lane and continuing on around Baypark Boulevard to Carpark D.
