Register before 23rd May

The weekend is suitable for young players with at least the basics of playing bridge. It is open to all players who are under 25 as at 1 Jan 2025, however, it is not expected that players who have represented NZ or those with similar ability would wish to attend. The weekend is aimed at less experienced players. We will take late registrations after 23rd May, but we won't guarantee fully funding travel for registrations and travel plans made after that date.
